Hi Sue,

We will call you at the number provided below and if needed, we can conference Mike on the call; I just need the specific number he wants to use.

Carlo

Carlo,

Looks like Wed @10 is a go. As for the number to use, I guess if you originate the call, our main office 509-882-3377 x 110 is the conference room where 3 of us will use the speaker phone, then we just need to get Mike's number.
